Profile of the Degree Programme	Bachelor in Korean Language and Literature
Target Group / Addressees	The Korean Language and Literature study programme targets prospective students who desire to become knowledgeable in Korean culture and speak Korean fluently.
Entrance Conditions	High-school Average Score
Further Education Possibilities	Master degrees in comparative studies or East Asian studies
Description of Study	While focusing on Korean studies, courses cover a multidisciplinary area, from history, art, religion, and social studies, to Korean language, linguistics, and literature. Students are encouraged to acquire a comprehensive knowledge of Korean culture, viewed comparatively in the wider context of East Asian history and culture. Topics range from ancient to modern society, politics, religion, and art, in an attempt to create a complete outline of Korean culture. Courses are being taught by a native Korean lecturer, as well as a Romanian lecturer.
Purposes of the Programme	- Develop the ability to speak, read, and write in the Korean Language (high intermediate level) - Understand and be able to discuss all cultural aspects of Korea
Specialization / Area of Expertise	Korean language: syntax, morphology, lexicology; discourse analysis, conversational analysis. Korean culture: classical and modern literature, literary analysis, history, anthropology
Extra Peculiarities	-
Practical Training	Students can get practical training in the Romanian-Korean Cultural and Business Association Open Bridge Consortium.
Final Examinations	BA thesis
