Profile of the Degree Programme	Theatre degree program
Target Group / Addressees	The program is open to graduates coming from all accredited higher education institutions with degree in theatre, film, media, humanities, communication, social sciences, art history or technical specializations.
Entrance Conditions	Applicants will be grouped in series and evaluated separately based on the option (module) declared on the application form. The examination consists of an interview based on the individual project of the candidate (research project or media creation).
Further Education Possibilities	The master's programme aims at providing students with the appropriate tools for further doctoral studies in culture and arts.
Description of Study	Designed as a comprehensive system of compulsory core courses each semester and optional fields of specialization, the program provides a flexible and reliable education and covers a broad scale of professional fields from an interdisciplinary perspective.
Purposes of the Programme	The primary aim of the program is the professionalization of actors, directors, drama writers, cultural managers, journalists and media graduates.
Specialization / Area of Expertise	The MA in Theatre, Film and Multimedia is an interdisciplinary program offering three specialized modules for its candidates: <ol style="list-style-type: none"> <li>1. Dramaturgy-Filmology (in Romanian);</li> <li>2. Theater and Film Studies (with two directions: a) theatre directing and b) theatre and media studies, in Romanian);</li> <li>3. Interactive Multimedia (in English).</li> </ol>
Extra Peculiarities	The module of Interactive Multimedia was created in collaboration with 3 other renowned universities in the framework of "European Masters of Interactive Multimedia" ( <a href="http://www.valnet-emim.eu">www.valnet-emim.eu</a> )
Practical Training	Practice of theatrical performance / media ( 2 semesters)
Final Examinations	Research thesis
Gained Abilities and Skills	The program is based on a combination of theoretical courses in the field of contemporary theater and film with a very flexible selection of optional courses, designed to

	obtain creative writing skills in theater, television and cinema, and as well as in the theoretical and historical research in theater and film.
Job Placement, Potential Field of Professional Activity	Possible job placements: playwright, writer (adapters, television and radio writers), career possibilities in television and media.
