RESOLUTION

regarding the decision of the Faculty of Chemistry and Chemical Engineering to apply the online scenario for didactic activities throughout the faculty

Considering the decision made by the Council of the Faculty of Chemistry and Chemical Engineering No. 564/06.11.2020 regarding didactic activities being carried on online,

The UBB Administration Council, assembled on 9th November 2020,

DECIDED TO

1. Approve the resolution of the Faculty of Chemistry and Chemical Engineering to apply the online scenario for didactic activities throughout the faculty until the situation improves, depending on the evolution of SARS-CoV-2 virus infection index.
2. Resume onsite didactic activities with the approval of the Council of the Faculty of Chemistry and Chemical Engineering and later on with the vote of the UBB Administration Council.
