ACTION PLAN IN CASE OF SARS-COV-2 INFECTION – DORMITORY ... (in compliance with the isolation protocol)

<p>At least one COVID-19-associated symptom <i>Temperature of >37.3°C, fever/chills, cough, difficulty in breathing, muscle soreness, headache, loss of taste/smell, throat ache, nasal congestion, nausea or vomit, diarrhoea</i></p>	<p>The student presenting the symptoms</p>	<p>Enters into isolation in the dormitory room where they are accommodated or at their personal home*</p>	<p>Calls the general physician/doctor at the university medical clinic (list of medical offices and phone numbers in Addendum 11) Notifies the dorm doorman and avoids contact with the latter Calls the DPH at 0264-433-645 or e-mails at epidemiologie@dspcluj.ro and calls the 112 emergency number</p>	<p>Follows the instructions received by phone</p>	<p>Remains in isolation after the decision of confirmation of the isolation measure issued by DPH</p>
<p>Exposure to one person whose RT-PCR test resulted positive</p>	<p>The student identifies as the direct contact of a person whose RT-PCR test resulted positive</p>	<p>Enters in quarantine in their respective dorm room if they have accommodation in dorms, or at home*</p>	<p>Calls the general physician/doctor at the university medical clinic (list of medical offices and phone numbers in Addendum 11) Notifies the dorm doorman and avoids contact with the latter Calls the DPH at 0264-433-645 or e-mails at epidemiologie@dspcluj.ro and calls the 112 emergency number</p>	<p>Follows the instructions received by phone</p>	<p>Remains in isolation after the decision of confirmation of the isolation measure issued by DPH</p>

	The roommate of the student identified as direct contact of a person whose RT-PCR test resulted positive	Enters in quarantine in their respective dorm room if they have accommodation in dorms, or at home*	<p>Avoids contact with the student identifies as direct contact of the person whose RT-PCR test resulted positive</p> <p>Notifies the dorm doorman and avoids contact with the latter</p> <p>Calls the DPH at 0264-433-645 or e-mails at epidemiologie@dspcluj.ro and calls the 112 emergency number</p>	Follows the instructions received by phone	Remains in isolation after the decision of confirmation of the isolation measure issued by DPH
Positive result of rapid test	The student tested and whose result is positive	Enters into isolation in the isolation units/ treatment adopted by hospitals, either at home, or given an isolation solution found by the university should the student not be able to go home with their own means of transportation*	<p>Calls the general physician/doctor at the university medical clinic (list of medical offices and phone numbers in Addendum 11)</p> <p>Notifies the dorm doorman and avoids contact with the latter</p> <p>Calls the DPH at 0264-433-645 or e-mails at epidemiologie@dspcluj.ro and calls the 112 emergency number</p>	Follows the instructions received by phone	Remains in isolation after the decision of confirmation of the isolation measure issued by DPH

	The roommate of the student who tested positive	Enters in quarantine in their respective dorm room if they have accommodation in dorms, or at home*	<p>Avoids contact with the student identifies as direct contact of the person whose RT-PCR test resulted positive</p> <p>Notifies the dorm doorman and avoids contact with the latter</p> <p>Calls the DPH at 0264-433-645 or e-mails at epidemiologie@dspcluj.ro and calls the 112 emergency number</p>	Follows the instructions received by phone	Remains in isolation after the decision of confirmation of the isolation measure issued by DPH
Positive RT-PCR test	The student tested and whose result is positive	Enters into isolation in the isolation units/ treatment adopted by hospitals, either at home, or given an isolation solution found by the university should the student not be able to go home with their own means of transportation*	<p>Calls the general physician/doctor at the university medical clinic (list of medical offices and phone numbers in Addendum 11)</p> <p>Notifies the dorm doorman and avoids contact with the latter</p> <p>Calls the DPH at 0264-433-645 or e-mails at epidemiologie@dspcluj.ro and calls the 112 emergency number</p>	Follows the instructions received by phone	Remains in isolation after the decision of confirmation of the isolation measure issued by DPH
	The roommate of the student who tested positive	Enters in quarantine in their respective dorm room if they have accommodation in dorms, or at home*	<p>Avoids contact with the student identifies as direct contact of the person whose RT-PCR test resulted positive</p> <p>Notifies the dorm doorman and avoids contact with the latter</p> <p>Calls the DPH at 0264-433-645 or e-mails at epidemiologie@dspcluj.ro and calls the 112 emergency number</p>	Follows the instructions received by phone	Remains in isolation after the decision of confirmation of the isolation measure issued by DPH

Getting out of isolation	After 14 days based on a certification confirming that the student is clinically healthy (not infected with the SARS-CoV-2 virus) - epidemiological notice	Epidemiological certificate/notice presented to the dorm administrator	Upon the date mentioned in the isolation/quarantine decision
	Based on a medical certificate confirming that the student is clinically healthy - epidemiological notice	Epidemiological certificate/notice presented to the dorm administrator	
	In the case of a RT-PCR negative test - epidemiological notice	Epidemiological certificate/notice presented to the dorm administrator	
Getting out of quarantine	If the student presenting symptoms is not confirmed as infected with the SARS-CoV-2 virus		
	If the RT-PCR test result is negative - epidemiological notice	Epidemiological certificate/notice presented to the dorm administrator	

Note:

Addendum 11 – List of medical offices

The doorman of the student dormitory must immediately notify the dorm administrator of any of the cases presented above.

Entry into force of the operational procedure regarding the quarantine/isolation of residents in student dorms, with the view to preventing the spread of SARS-CoV-2.

** If the student cannot go home with their own means of transportation, they will fill in a personal statement (see **Addendum 6.2 to the ACR No. 14115.28.09.2020**), and the said situation will be analysed by the university leadership.*

Addendum 6.2. to the ACR No. 14115/28.09.2020, amended by ACR No. 14705/6.10.2020

PERSONAL STATEMENT

I, the undersigned _____, with residence in _____, Street _____, No. _____, county _____, ID series _____, No. _____, issued by _____, upon _____, as a student of Babeş-Bolyai University in Cluj-Napoca, Faculty of _____, year _____, specialisation _____, aware of the provisions of at. 326 of the Penal Code on giving false statements, take it upon myself to declare that I do not have the means to to home with my own personal means of trasportation in roder to isolate, in compliance with OM No. 5650/1670/2020, and I wish to remain in isolation within the location and conditions established by UBB.

Also, I commit to complying wiht all of the obligations established by the University regarding the location and conditions of isolation; contrary to that, I take full responsibility for not complying with them.
