

RESOLUTION
regarding the students accommodated in the university dormitories

Considering the Romanian Presidential Decree no. 195/2020 of 16th March 2020 regarding the state of emergency within the Romanian territory, and all applicable national and internal measures,
The Babeş-Bolyai University Administration Council, assembled on 20th March 2020,

DECIDES UPON THE FOLLOWING:

1. Students accommodated in the university dormitories upon the date of release of the current resolution have the option to either leave (vacate) the dorm, or stay. Students who opt for staying in the dorms will have to send a request within 48 hours from the release of this resolution, to the following e-mail address: camine.COVID10@ubbcluj.ro, stating the reason for which they cannot vacate the dormitory. Also, in the e-mail sent according to this article, students will formally declare that the reason which they invoked is real and that they will fully comply with any university decision regarding their relocation within the accommodation area, should the situation require it.
2. Students who have already vacated their dorm rooms, as well as those who will be opting for this measure based on the current resolution, will not be able to find accommodation within the dorms until further measures.
3. The charge for the dorm tax for students who have vacated so far their dorm rooms and for those who have chosen to vacate their rooms based on the current resolution will be suspended until the situation caused by the pandemic is solved.
4. Vacating the dorm rooms does not imply the cessation of the right gained by students upon their accommodation.
5. The present resolution will be made public to students and the General Administrative Directorate, as the latter will guarantee the implementation of this resolution.
