

No. 6878/15th May 2020

RESOLUTION regarding the access to UBB parks and public eateries

Considering the measures taken by national public authorities in the Resolution of the Committee for Emergency Situations no. 24/2020 regarding the approval of the state of alert at a national level and the measures of infection prevention and control, considering the context generated by the SARS-CoV-2 virus,

Based on their electronic vote from 14th May 2020, the UBB Administration Council

DECIDED UPON THE FOLLOWING

1. Access to the *Iuliu Hațieganu* Sports Park and to the *Alexandru Borza* Botanical Garden is granted beginning with 19th May 2020, according to the necessary prevention and safety measures to reduce the risks of virus spread.
2. Home delivery and take away activities are resumes in the university's public eateries beginning with 18th May 2020, according to the necessary prevention and safety measures to reduce the risks of virus spread.
3. Each unit in articles 1 and 2 sets procedure to implement all prevention and safety measures that are conveyed to the public and to employees through specific means of communication and display.

RECTOR,
Prof. Daniel DAVID, Ph.D.
