

No. 8217/18th June 2020

RESOLUTION

regarding the research activities and organization of other events during the state of alert

Considering the provisions of the Government Resolution No. 476/2020 regarding the prolongation of the state of alert and the measures applied during this time for the prevention and control of the effects of the COVID-19 pandemic, the joint Order of the Minister of Health and the Minister of Internal Affairs No. 874/81/2020 on the requirement to wear protection masks, epidemiologic triage and compulsory disinfection of hands in order to prevent the contamination with the SARS-CoV-2 virus during the state of alert,

Based on their electronic vote from 18th June 2020, the UBB Administration Council

DECIDED UPON THE FOLLOWING

1. To extend the period of suspension of research activities and other events within the university, which involve crowds (conferences, book releases, performances, sports competitions, lectures, workshops etc.) until the state of alert is lifted, except for the activities organised and carried according to pt. 2-11 of the GR No. 476/2020 and pt.I.2 lett. e) of the Addendum to the Order No. 874/81/2020.

RECTOR,
Prof. Daniel DAVID, Ph.D.
