

## THE ORGANISATION AND COURSE OF THE EXAM SESSION AND THE RE-EXAMINATION SESSION AT UBB, DURING THE PERIOD OF CANCELLATION OF FACE-TO-FACE DIDACTIC ACTIVITIES

### **Addendum 6 to the Regulations regarding the students' professional activity (Bachelor's and Master's level) at Babeş-Bolyai University, based on the European Credit Transfer and Accumulation System (ECTS)**

- Approved by the UBB Senate through Resolution No. 5937/16.04.2020 -
- With the necessary additions and republished based on  
Senate Resolution No. 13355/21.09.2020 -

Considering the state of emergency in Romania, established by Decree No. 195/2020 of 16<sup>th</sup> March 2020, and the measures adopted at a national level to prevent the spread of SARS-CoV-2, as well as the resolutions of Babeş-Bolyai University regarding the suspension of didactic face-to-face activities and their online course, the *Regulations regarding the students' professional activity (Bachelor's and Master's level) at Babeş-Bolyai University, based on the European Credit Transfer and Accumulation System (ECTS)* approved by Senate Resolution No. 24048 of 10.12.2019 (henceforth called the *ECTS Regulation*) will be completed by the following provisions valid until the resumption of face-to-face teaching activities:

1. The session of exams and re-examination session will take place according to the calendar initially proposed by the faculties and approved by the Rector's Office for the 2019-2020 academic year structure.
2. Exams will be delivered online, through a platform chosen by the professor teaching that respective subject from the various platforms proposed and made available by the faculty and the university. Students will be notified of the change in the form of evaluation or the structure of the grade established in the course syllabus allowing them sufficient time to submit their project papers or give the exams prior to the established deadlines.
3. For specialisations where the traineeship cannot be done within the current circumstances, this traineeship will be re-scheduled, without any fee, for the next academic year. Students in this situation will be considered as having promoted all exams, thus accumulating  $30-x$  credits/semester, where  $x$  is the number of credits

allocated to the traineeship. Therefore, the averages of students will be calculated without the grade and credits of the traineeship.

4. For final-year students, if the traineeship or the practical papers/ laboratory papers/ projects stipulated in the curriculum cannot be carried through within the current circumstances (and they cannot be replaced by computer modelling/ design/ data processing), upon the head of discipline and with the approval of the Faculty Council, they may be replaced by other online tasks which may lead to acquiring similar skills.
5. In the case of subject which include in their curricula practical or laboratory papers or projects that cannot be replaced by computer modelling, design, data processing, only knowledge taught at courses and/or seminars will be evaluated, and the practical activity or the activity in the laboratory can be carried through in the following academic year.
6. The teaching staff of the Faculty of Physical Education and Sports will prepare video material showing physical workout and training, which will be made available to students from all UBB faculties. In order to promote the discipline *Physical Education* and get the respective credits, students must practice these trainings at home.
7. The study contract is filled in on the Academic Info platform, signed by hand and the scanned copy is uploaded by the student, until 1<sup>st</sup> October 2020, on the electronic platform designated by Babeş-Bolyai University.
8. Once the national circumstances change, and they allow for the recommencement of face-to-face teaching activities, the provisions of the present addendum will cease to be valid, and the *Regulations regarding the students' professional activity (Bachelor's and Master's level) at Babeş-Bolyai University, based on the European Credit Transfer and Accumulation System (ECTS) approved by Senate Resolution No. 24048 of 10.12.2019* will be fully applied.
