INTEROFFICE MEMO
regarding the measures taken during the state of emergency
at Babeş-Bolyai University in Cluj-Napoca

To the UBB academic community:

Until now, all measures applied nationally during the COVID-19 pandemic have been rigorously implemented in our university. Considering the decrees issued by the Romanian President on the state of emergency within the country, and the Military Orders regarding measures of preventing the spread of COVID-19,

Considering the limitation of the population's transition and the need to guarantee current activities within the university, we inform you of the following:

1. The Interoffice Memo issued by the University management team on 23rd March 2020, regarding the organisation of the working hours respecting the safety measures of UBB students and employees, in compliance with the national measures taken until the end of the state of emergency on 15th May 2020 – is being extended.
2. All work directions issued for the organisation of the working hours are extended according to article 1 of the present document; each manager of administrative department is responsible for the organisation of the working hours.
3. All other stipulations of the Interoffice Memo issued on 23rd March 2020 remain valid, in compliance with the national measures *en force*, until the cancellation of the state of emergency,
