

No. 7541/29th May 2020

RESOLUTION

regarding the extension of suspension of research activities and other events

Considering the circumstances generated by the COVID-19 pandemic, the planned measures to loosen restrictions, as well as the need to guarantee the safety of teaching staff and researchers,

Based on their electronic vote from 29th May 2020, the UBB Administration Council

DECIDED UPON THE FOLLOWING

1. To extend the period of suspension of research activities and other events within the university, which involve crowds (conferences, book releases, performances, sports competitions, lectures, workshops etc.) until the state of alert is lifted.
2. Depending on the norms issued by national or local authorities, the present resolution may be altered and later approved upon the publication of such norms.

RECTOR,
Prof. Daniel DAVID, Ph.D.
