

13th March 2020

RESOLUTION **regarding special measures during** **the spread of COVID-19**

Considering the increasing number of infections with the SARS-CoV-2 coronavirus and the prevention measures taken on a national level through the resolutions of the National Committee for Special States of Emergency (CNSSU) and the UBB Administration Council Resolution no. 4522 of 10th March 2020, as well as considering the proposals made by the UBB group for coordination and monitoring, in order to increase the prevention measures,

The UBB Administration Council assembled on 13th March 2020,

DECIDES UPON THE FOLLOWING:

1. All professional trips abroad for students and UBB staff are cancelled during 16th March and 30th April 2020, with the possibility of prolongation depending on the evolution of the spread of SARS-CoV-2 coronavirus.
2. Students' and UBB staff's professional internal trips, which completely depend on the good functioning of the university, will be carried on exclusively with the rector's prior approval.
3. For the period mentioned at pt. 1, the Centre for International Cooperation will send an interoffice memo regarding the procedure for deduction of expenses for trips approved before the current date, and which cannot be carried on anymore.
4. During 16th March and 30th April 2020, all UBB staff can benefit, upon request, of leave of absence, guaranteeing the 50% of presence in each department depending on the needs established by the heads of each department.

RECTOR,
Prof. Daniel DAVID, Ph.D.
