

No. 6808/15th May 2020

RESOLUTION

regarding the prorogation of research activities and of other events

Considering the circumstances generated by the COVID-19 pandemic, the planned measures to loosen restrictions, as well as the need to guarantee the safety of teaching staff and researchers,

Based on their electronic vote from 14th May 2020, the UBB Administration Council

DECIDED UPON THE FOLLOWING

1. To suspend all research activities and other events within the university, which involve crowds (conferences, book releases, shows, sports events, lectures, workshops etc.) during 15th May and 29th May 2020.
2. Depending on the norms issued by national or local authorities, the present resolution may be altered and approved after the publication of said norms.

RECTOR,
Prof. Daniel DAVID, Ph.D.
