

RESOLUTION

regarding a new set of measures for the organisation of teaching/learning activities under safety conditions, within UBB

Considering the GR No. 932/2021 on the prolongation of the emergency status within Romania, beginning with 10th September 2021, as well as establishing the measures for preventing and fighting the effects of the COVID-19 pandemic,

Considering the joint Order of the Ministries of Education and of Health No. 5196/1756/2021 of 3rd September 2021 for approving the measures to be taken for the safe organisation of teaching/learning activities in education institutions/units, in order to prevent the SARS-CoV-2 virus infection,
Based on the electronic vote of 22nd September 2021, the Babeş-Bolyai University Administration Council

DECIDED TO

1. Approve the following set of measures for organising the academic activity at UBB in compliance with the epidemiologic safety measures for preventing the spread of SARS-CoV2:
 - Conditions for suspending the didactic activities that require physical presence, in the case of COVID-19 infection among teachers – Addendum 1;
